

## **Sports Equipment for World Championships**

### a) General principles:

- aa) All players participating in world championships need to wear sports equipment.

### b) Composition of the equipment

- bb) All players of a Nationalteam need to wear the same equipment. This is composed of:

- a) a short- or long-sleeved sportswear or shirt with the Nation's name or crest on the left side of the chest (printed or otherwise completely attached);
- b) long trousers of the same color and shape (different number and type of pockets, pleats and belt loops or cuffs are tolerated, jeans of any kind are not allowed);
- c) for women: pants of different cut are allowed; however, color has to be the same for each team;
- d) shoes that do not damage the ground.

- cc) Players may wear a jacket with a crest or name above the equipment described in bb), a) of the same shape and color for each team.

- dd) These requirements are also valid for referees.

- ee) Team's that do not comply with the equipment rules before or during games will be excluded from the competition.

- ff) The Head of Delegation and the Coach are allowed to show up in civilian clothes with the Nation badge.

### c) Publicity on sports equipment

- aa) Publicity on the equipment is allowed. However, it is limited to five emblems and may not be political or denominational nor violate ethical and moral principles.

- bb) Also on sports equipment, shirts and jackets with advertising imprinting, Nation's crest or name need to appear on the left side of the chest.

- cc) The size-free advertising imprints can be placed on any part of the sports equipment provided they are the same for teams.

- dd) Advertising is allowed on trousers only inside labels, which must have a maximum width of 8 cm.

The trademark is not considered a sponsorship.

Front

Back
